Transitions in the Space field

Organised by the junior laboratory *Space Ages*

Venue (onsite): TBS Education, Amphithéâtre Bosco, Bâtiment Bosco (4 place Alphonse Jourdain)

Online participation: https://tbs-education-fr.zoom.us/j/94937241482?pwd=2NdpafayEwrQkMHUBzhiLkbYv9pyng.1

9-10 November 2026

Monday 9 November (Day 1)

- 9h15- 9h30: Welcoming participants
- 9h30-10h00: Overview of the day, UniversEH and the junior lab "Space Ages"

Session 1

- 10h00-10h30: Victor Dos Santos, "New Space as a systemic disruption: a bibliometric analysis"
- 10h35-11h05: Anne-Sophie Barbe-Manon Michal "Fighting for Its Jurisdiction: The Case of the French Spatial Field in the New Space Era"

Break (11h05-11h20)

Session 2

- 11h20-11h50: Axelle Vanhaecke "Towards Big Science: the sciences of the universe undergoing an organisational transition"
- 11h55-12h25: Coralie Lhabitant "The environmental transition in the space sector: from institutional pressures to Innovation project"
- 12h30-12h45: Closing discussions – morning session

Lunch break (12h45-14h00)

Session 3

- 14h00-14h30: Ronney Ochieng "Beyond the UN: What the Rise of Space Governance Constructs Tells Diplomats"
- 14h35-15h05: Thomas Carpentier: "European space science at the crossroads of the national and transnational policies: the case of the British stance on ESA's Horizon 2000"
- 15h10-15h25: Discussion

Break (15h30-15h50)

Session 4

- 15h55-16h25: Paul Illife-Danijela IGNJATOVIĆ: "Integrated and Interdisciplinary Training (Space Education) in the Space Sector: the growing need and examples of implementation"
- 16h30-17h00: Vincent Simoulin-Christina Stange-Fayos "Space not anymore as a Dream, but as a frightening and fascinating possibility"
- 17h00-17h15: Closing discussions – afternoon session

Tuesday 10 November (Day 2)

Session 5

- 9h30 – 9h40: Overview of the day
- 9h45-10h15: Alain De Neve: “From Sovereign Assets to Hybrid Architectures: Ukraine and the Transformation of Military Space”
- 10h20-10h50: Georges Emmanuel “Contester l’espace : de la critique à la théorie du complot”

Break (10h50-11h05)

Session 6

- 11h05-11h35: Margaux D’Hont “L’influence des imaginaires des projets du spatial sur l’avenir des vivants”
- 11h40-12h10: Camille Ternier: “Access and Benefit-Sharing: Two Questions for Governing Space Resources”
- 12h15-12h30: Discussion and closing of morning sessions

Lunch break (12h30-14h00)

Session 7

- 14h-16h: Round table « Women and Space »
- 16h00-16h20: Closing discussion of the event
