

CREW PRINCIPLES

VALUES OF UNIVERSEH

We respect these principles of conduct, apply them in our day-to-day relations and work, and contribute to their dissemination within the UNIVERSEH European University Alliance and beyond.

Inclusion & Accessibility for All

We collectively promote the principles of inclusion, accessibility and equality for all, which we adopt in our positions, in our communication and in the planning of all our actions.

Equity for All

We collectively promote the principles of equal treatment and fairness, which we apply through a common policy of respect for others. UNIVERSEH does not tolerate any form of discrimination, exclusion or harassment.

Interculturality

We collectively promote interculturality and multidisciplinary in the activities of our Alliance, characterised by its cultural and linguistic diversity.

As **members of the UNIVERSEH European University Alliance**, we are **ambassadors** for our Alliance, our institutions, our countries and the European values and objectives that unite us.

We teachers, researchers, staff and students of UNIVERSEH operate in a common environment and collectively share the desire to establish **common, agreed and accepted principles of conduct** for our Alliance.

We **promote the content of existing regulations and policies** regarding the European Union founding principles, upon which our Alliance is based.

Sustainability

We collectively promote economic, environmental, educational and research sustainability.
