

# European Space University for Earth and Humanity

WE  
STUDY  
AT  
UNIVERSEH

**UNIVERSEH** is the only  
European University offering  
an **innovative high-level  
education and research**  
programme dedicated to **Space**

Co-funded by  
the European Union

## 7 Universities, 1 Space European Campus

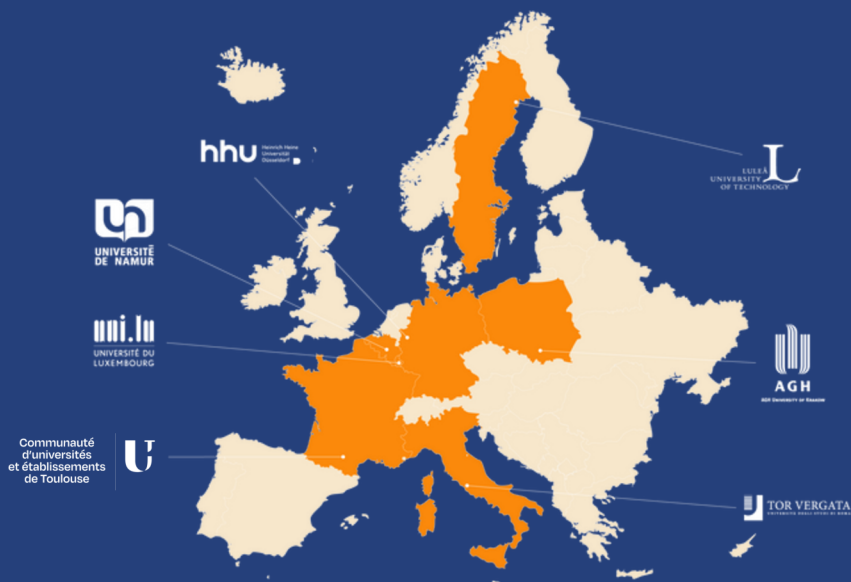

UNIVERSEH brings together seven top universities from seven countries with cutting-edge space courses and programmes.

## Inclusive, Diverse and Sustainable Education

UNIVERSEH highlights the importance of contributing to an inclusive, equitable and sustainable development in space exploration.

## From Sciences to Social Sciences and Humanities

Space studies are usually associated to sciences and technology but UNIVERSEH also includes social science and humanities as disciplines in the curricula.

# OUR TEACHING APPROACH

- **International Collaboration:** Work with students and teachers from different countries and gain diverse perspectives.
- **Multilingual Learning:** Some courses are offered in several languages, helping you strengthen your communication skills.
- **Interdisciplinary Approach:** Combine disciplines from science to humanities to address real-world questions.
- **Inclusive Environment:** Courses are welcoming and accessible to students from all backgrounds.
- **Sustainability Focus:** Some courses explore how sustainability applies to both space and life on Earth.
- **Active Learning:** Participate in hands-on activities that develop critical thinking and problem-solving.
- **Digital Tools:** Use modern platforms and tools to support and enrich your learning experience.

With UNIVERSEH  
make a difference in the  
Space sector.

# OUR COURSES

Choose from our diverse range of courses and get access to bachelor, master and PhD-level courses in a wide range of disciplines from science to humanities.

## COURSES

- Courses in a wide range of disciplines from engineering
- to space innovation and law.

## PROGRAMMES

- Advance your studies with our diverse range of
- Master's programmes.

## PHD COURSES

- Courses designed to support advanced academic and
- professional development.

## ACADEMY

- Courses promoting cultural exchange, teamwork and a
- strong European identity.

## SHORT PROGRAMMES

- Dynamic one-week courses combining science, culture, and hands-on learning.
- A great opportunity to meet other European students.

# STUDENT MOBILITY

Dive into new European spaces with UNIVERSEH!

Studying abroad has never been easier! Thanks to UNIVERSEH's mobility teams, **discover and study anywhere within the 7 universities of UNIVERSEH** for a **short or a long term mobility**. Broaden your horizons and connect to other Space students.

Pick your destination,  
plan your academic  
journey and lift off.

You don't have the opportunity to spend time abroad? With UNIVERSEH you can enjoy a virtual international education experience via online courses.

# STUDENT INVOLVEMENT

## UNIVERSEH empowers students

Student involvement in UNIVERSEH is a dynamic exchange of **opportunities and responsibilities**. Students benefit from a range of initiatives, including mobility programs, university courses, internship opportunities and networking events. These activities provide **valuable learning experiences**, foster **cross-cultural collaboration**, and enhance **professional development**.

### Join an UNIVERSEH Student club

To ensure student commitment and support student activities, local UNIVERSEH student clubs are formed. The clubs are self-organized associations that meet regularly and hold their own events on local and/or international level.

**Play an essential role in  
shaping UNIVERSEH and  
ensure students' voices are  
heard and their interests are  
represented.**
