Add-ons

Tour the Institute of Space Physics (IRF)

Tour Sweden's only space campus as well as the premises of a state-of-the-art space research centre, IRF. Refreshments will be provided and lunch for two representatives is included. The tour takes place the day after the fair.

800 sek

1 on 1 meetings

Found students you wanted to talk more to during the fair?

With this service we provide you with all you need to be able to note down up to 5 students you find interesting and set up a private 1 on 1 meeting with them the day after the fair.

Refreshments will be available throughout the day.
